The Community Justice Program (CJP), the pro bono project of the San Antonio Bar Association, was established in 2001 to bring legal professionals together to serve the indigent, vulnerable and at-risk by enhancing access to justice and bringing the courthouse to the community. Through community clinics – primarily focused on veterans' legal issues, family law and wills – the CJP provides meaningful access to legal advice, assistance and education. To date, the CJP has matched nearly 10,000 pro bono cases to volunteer attorneys. The CJP is financially supported by grant funding and donations. To donate or find more information, visit www.sabar.org.

This is a CLOSED event that will be open to volunteers & clients ONLY. Media coverage by appointment ONLY available prior to the clinic. Contact comm@sabar.org
